Boardroom, A&A Building

Hope: The University is currently focusing on prevention when it comes to sexualized violence,
Nick: When we were there, they were very clear that the onus was on students to get the care they needed, without providing many supports.

Hope: I'm also going to talk with Divest Dal to figure out if we have any ties to the fossil fuel industry that could be divested from.

Levi: Emphasizing prevention is fine, but that emphasis can lead to fewer funding options for positions like the one Jordan Roberts holds as Sexualized Violence Prevention and Response Officer.

4.5. Report of the Communications Vice President

Isabella: There have been reports of vandalism on the chalkboard.

Izzy: It's occurred a lot in the past years.

Finance Committee Recommends approval of \$500

Nick: The Vaudeville Fashion society originally asked for 3600 dollars, we asked them to lower it because proportionally it is more of a Dalhousie event than a King's one and we have a much smaller size. They came back with another request of \$1000, but instead we are recommending that a new motion is made to offer them \$500 instead.

5.7 Motion to amend 5.6 to say non-contingent funding of \$500.
