Board of Governors Representatives (2)  
Member-at-large

All candidates must be current students at the University of King's College (KSU Bylaws §2.2.g).

Nominations will open on **Saturday April 1, 2023**, and will remain open until **Tuesday April 4, 2023, at 11:59pm**. The Campaign Materials List (Online Materials List) must be submitted to the Chief Returning Officer by **Thursday February 6, at 11:59pm**.

Speeches and Q&A will take place on **Thursday April 6, 2023 at 5:00pm**. Candidates must indicate on the Official Nomination Form whether this time is suitable for them.

An all-candidates meeting will be held on **Wednesday April 5, 2023 at 10:00am** in the Day Students Lounge (Galley). This is a MANDATORY meeting and if a candidate is unable to attend they must email the Chief Returning Officer as soon as possible to set up an alternate meeting time. This meeting is set to allow all candidates to meet and discuss relevant election procedures. Candidates may not begin campaigning until they attend the candidates meeting.

In addition to attending the candidates meeting, candidates may begin campaigning upon submission of their completed nomination form. Forms may be submitted to:

- The Chief Returning Officer by email ([cro@ksu.ca](mailto:cro@ksu.ca))
- They may also drop off nominations forms to the KSU office

Candidates are responsible for ensuring that their nomination forms have been properly received by the close of nominations.

Third-party campaigns on behalf of nominated candidates are prohibited. Candidates may not request or encourage third-party campaigning on their behalf. (KSU Elections Procedure, A.7)

Candidates are prohibited from using paper of the same colour as King's security bulletins (orange) for their campaign.

All campaigning must cease by **11:59pm on Sunday April 9, 2023** (KSU Elections Procedure, A.9). This includes the presence of posters in public places, the existence of any online materials

(including pages, groups, posts and comments on Facebook, live Twitter accounts or any other social media platforms).

Candidates will spend no more than twenty-five dollars (\$25.00) on their campaign. Each candidate will provide a detailed expense report to the Chief Returning Officer, regardless of the amount that they spent, by the close of open and obvious campaigning. (KSU Elections Procedure, A.17, A.18)

Candidates will be given access to the KSU photocopier to make no more than 75 posters. These photocopies will not be included in their expense report. Candidates will be responsible for listing the number of copies made, and the date that they were made, on the sheet provided in the KSU office. (KSU Elections Procedure, A.19)

If any candidate breaks any of the rules laid out in the KSU Elections Procedure, the Elections Committee will hold an immediate vote on strikes and penalties. The Elections committee will award strikes to any candidate found to be in breach of these Election Procedures. Notice of all strikes will be posted near the polling station and on Union social media pages immediately after they are awarded. Candidates will be further notified of all strikes awarded to them by email. Candidates who receive three (3) strikes will immediately be disqualified. Strikes will be awarded on the following basis:

- i. One (1) strike will be awarded as a result of minimal or accidental breaches of Election Procedures. This may include but is not limited to single posters or online posts left up past the campaign deadline.
- ii. Two (2) strikes will be awarded for severe or purposeful breaches of Election Procedures. This may include but is not limited to multiple or large numbers of posters or online posts left up past the campaign deadline or failure to attend the candidate's meeting.
- iii. Three (3) strikes will be awarded for malicious or ethical breaches of Election Procedures. This may include but is not limited to failing to rectify prior violations, attempts to tamper with the electoral system, or bribery (KSU Elections Procedure, A. 20).

Votes will not be counted unless the total number of ballots meets or exceeds 25% of the eligible voters for a given constituency (KSU Elections Procedure, A.28).

Candidates have the right to appoint a scrutineer who will be present at the count. The scrutineer shall not be a candidate in the election. Candidates wishing to appoint a scrutineer must indicate their choice to the Chief Returning Officer **before the close of voting** (KSU Elections Procedure, A.38).

Candidates may appeal the results of a disqualification vote of the Elections Committee. Appeals must be made to the Chair of the Union, in writing, within 24 hours of the notice of disqualification or the release of unofficial election results. The Chair shall rule within 48 hours, and their decision is final (KSU Elections Procedure, A.46).

Elections will be held from 9:00am on Monday April 10 2023 to 7:00pm on Tuesday April 11, 2023 via in person ballots.

## **GUIDELINES CONCERNING ONLINE CAMPAIGN MATERIALS**

“Online campaign materials” includes, but is not limited to: websites, **Facebook pages and groups, Facebook posts and comments, tweets and active Twitter accounts**, blog posts, and other posts, comments, profiles, groups, or pages on other social media platforms or websites (KSU Elections Procedure, A.10).

Candidates must compile a list of online materials such as those laid out above, endeavouring to provide as exact a reference as possible to the location and nature of the material. This may include, when applicable, the web address or URL of the material, the date and time of posting, and the location of the material (for example, the name and URL of the Facebook group in which a post was made) (KSU Elections Procedure, A.11).

**A LACK OF FULL UNDERSTANDING OF THE FUNCTIONING OF WEBSITES AND SOCIAL MEDIA PLATFORMS WILL NOT BE ACCEPTED AS A VALID EXCUSE FOR BREACHING ANY OF THE RULES LAID OUT IN THESE PROCEDURES.**

**Candidates are expected to be proficient with any tools and websites that they use; they are also encouraged to explore their options, and practice any procedures that they are not familiar with, well in advance of the campaigning deadline.**

After the close of campaigning, candidates may use personal social media (Facebook, Twitter, etc.) to promote voting in general, but **may not reference their own campaign in any way.**

**Any violation of these guidelines shall be considered a breach of Section A.10 of the KSU Elections Procedure and may result in disqualification.**

Tips from Elections Committee:

- It is your responsibility as a candidate to be aware of any restrictions on deleting accounts or material, and to make sure beforehand that you can delete everything that you post.
- Twitter accounts can be deactivated – once deactivated, they are no longer visible to the public. This is an acceptable removal of campaign material.
- Facebook groups cannot be deleted unless all members are removed from the group. As an admin of a group, you have the power to individually remove each member and then delete the group. Facebook group URLs that contain any reference to a campaign must be removed or changed.
- Make sure any Instagram accounts and comments made are deleted.
- If you're not sure about posting something, ask the Elections Committee! Check with us first to make sure that your campaign will stay within these Guidelines.
